OVERVIEW

We are excited to announce the 4th Edition of the International Conference on Oil, Gas, and Petroleum Engineering (GOPE 2025), taking place in Valencia, Spain, and Virtually on September 11-13, 2025. This global event will bring together industry experts, scholars, and practitioners to explore the future of oil and gas. GOPE 2025 will cover key topics like advanced petroleum technology, reservoir engineering, unconventional resources, and the impact of global warming. Sessions will also address innovations in digital transformation, nano-solutions, and enhanced oil recovery.

CALL FOR PAPERS

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
