Overview

IOGP 2023 brings a diverse community of brilliant researchers, scientists, academicians professionals and associated experts in the field of oil and gas from all over the globe to share and show case their research results. This will be the best chance to interact and share your research with experts involved in oil, gas and petroleum engineering fields from all parts of the world.

Opportunities

We are excited to invite you to sponsor and exhibit at the IOGP 2023. Download the 2023 Exhibitor and Sponsorship Prospectus.

Call for Papers

Participants are invited to submit abstracts on research and findings relevant to the scientific sessions. The sample template is available in the "Abstract submission" page of the conference website. Accepted abstracts will appear in the conference extended abstract book, which will be available, on-line and distributed at the event.
